

Code of Conduct

PROFESSIONAL STANDARDS • ETHICS • INTEGRITY

Mission, Vision & Core Values

This Code of Conduct outlines the ethical principles and professional standards we hold for every employee, freelancer, contractor, and partner of Abex Look.

MISSION

To help businesses grow through creative thinking and technology-driven solutions that deliver real, measurable impact.

VISION

To be a trusted global digital partner, known for innovation, quality, and integrity in every engagement.

CORE VALUES

Integrity

Doing what is right, always.

Innovation

Solving problems creatively.

Respect

For people and perspectives.

Accountability

Owning our commitments.

Excellence

Quality in every deliverable.

Collaboration

Stronger together.

Customer Success

Our clients' growth is our benchmark.

Professional Conduct

Every team member is expected to hold these standards, internally and with clients.

Professional Behaviour

Act with courtesy, honesty, and discipline.

Respectful Communication

Speak and write with clarity and professionalism.

Positive Attitude

Approach challenges with a solutions mindset.

Accountability

Own your work, decisions, and outcomes.

Team Collaboration

Support colleagues, share knowledge openly.

Time Management

Respect deadlines, communicate delays early.

Quality of Work

Every deliverable should reflect care, craft, and pride in the Abex Look name.

Client Commitment

High-Quality Work — polished, effective results every time.

Meeting Deadlines — timelines as a measure of professionalism.

Honest Communication — clear updates, even when news is difficult.

Transparency — no hidden costs, scope, or surprises.

Long-Term Partnerships — relationships beyond a single project.

Client Confidentiality — protecting client information as our own.

"Every client relationship reflects who we are — we treat each one with the care of our first."

Workplace Ethics

Abex Look is committed to a fair, safe, and inclusive workplace for everyone.

Equal Opportunity

Anti-Discrimination

Anti-Harassment

Respect for Diversity

Inclusive Culture

Safe Workplace

Abex Look does not tolerate discrimination or harassment of any kind — whether based on gender, race, religion, age, disability, or background. Every team member deserves to feel valued and respected.

Confidentiality & Data Security

01

Protect Client Information

Never share client data outside its intended use.

02

Password Security

Use strong, unique passwords and update regularly.

03

Secure Systems

Keep devices, tools, and accounts up to date.

04

NDA Compliance

Honor all signed non-disclosure agreements.

05

Intellectual Property

Respect ownership of client and company work.

06

Responsible AI Usage

Use AI tools ethically, never with confidential data.

Data Privacy

Personal and business data is handled in line with applicable privacy laws and client agreements at every stage.

Conflict of Interest & Digital Conduct

CONFLICT OF INTEREST

Avoid Conflicts & Personal Gain

Never let personal interests compromise judgement or use your role for private benefit.

Report Conflicts Immediately

Disclose any potential conflict to your manager right away.

Protect Company Reputation

When in doubt, choose the option that reflects our values.

DIGITAL & SOCIAL MEDIA

Professional & Respectful Tone

Clear, courteous communication in emails and online, same as in person.

Responsible Social Media

Think before posting — public and permanent. Be a positive ambassador for Abex Look.

Protect Confidential Information

Never discuss client projects or internal matters on public or personal channels.

Rule of thumb: if a decision would be hard to explain openly to your team or a client, treat it as a conflict and raise it.

Company Resources

Proper Use of Equipment

Handle company hardware with care.

Software Licenses

Use only properly licensed tools.

Company Assets

Accounts and files are for business use.

Working Hours

Be reliable and present as agreed.

Productivity

Focus your time on client outcomes.

Continuous Learning

Grow your skills as our tools evolve.

Equipment, software, and accounts provided by Abex Look are for business use. Growth is a shared responsibility — keep learning new tools and skills that raise the quality of our work.

Reporting Concerns

1

Reporting Misconduct

Raise any behavior that violates this Code.

2

Ethical Violations

Integrity, safety, or conflict-of-interest concerns all qualify.

3

Confidential Reporting

Handled discreetly, shared need-to-know only.

4

Whistleblower Protection

No retaliation for reporting in good faith.

5

Investigation Process

Every report is reviewed fairly and promptly.

Speak up without hesitation — every concern raised in good faith is taken seriously and handled with care.
